

# The 360 Apprenticeship

## Apprentice Agreement

The 360 Emergence welcomes you into The 360 Apprenticeship. We are looking forward to a wonderful journey, and possibly a lifelong connection in the common thread of leadership in the movement community.

We want to take a moment to look at expectations for this program so that we know we are all congruent from the start.

You might choose to be part of The 360 Apprenticeship in order to gain skills for your own professional platform and body of work or you may desire to become a 360 embodiment facilitator. We will do all we can to support you in your process.

The 360 Apprenticeship will be a proficiency training, meaning you will need to pass a list of skill sets in order to become a 360 embodiment facilitator. Those skill sets include and are not limited to:

- Being able to demonstrate physically and specifically the teachings of The 360 Emergence
- Becoming leaderful and transmit with sourced clarity and authority
- A proficiency in curating soundscapes and conveying them with skill

### **I agree to:**

- Uphold my financial responsibilities
- Attend each module
- Participate in all the group sessions
- Be responsible for scheduling and attending my 1:1 sessions with Kate + Amber
- I will enter this exchange with honesty and integrity
- I will ask for help when I need it
- I will practice tolerance and respect within and outside the group settings
- I will be responsible for my own behavior and take care of my own needs
- I will go directly to any person I may have issue with and request clearing

### **Attendance:**

- Full attendance is required.  
I understand that I am required to attend all 4 modules of The Apprenticeship for my training to be complete.
- I understand that I will have to make up missed sessions by either participating with a zoom recording if that session was on zoom.  
If you must miss an in person module, you will have to make it up in The Apprenticeship Round 2, before you can become fully certified. (This option should only be utilized if a life circumstance or an act beyond your control occurs : Borders closing, ill health, etc...)

### **Financial Agreement:**

- Once you have made your initial deposit to hold your space, that amount is fully non-refundable.  
For example: should you decide not to partake in Module 2 and you have not paid for Module 2, you will not owe The 360 the unpaid monies. However, you will not receive any money back.
- All monies paid are fully non-refundable.

I, \_\_\_\_\_, acknowledge and agree to all the points outlined in this document.
